

Buildings

When it comes to buildings, the possibilities are endless! Our buildings are more than just indispensable storage. From season to season, they add charm and style to your backyard. Styles, features and options combine to give you the custom look you want and the utility you expect.

10x16' Barn with OSB siding

12x12' Barn with vinyl siding

12x24' Barn

Every building comes complete with the following standard features:

- Either delivered fully assembled and set in place on your lot, or custom-built on your site.
- Many styles are available: barn, lofted barn, carriage house, cape, poolside, mini-garage, chalet.
- Unlimited sizes are available.
- Constructed of durable, long lasting, low-maintenance materials.
- Six siding materials include: OSB "Smart Panel", Textured 1-11 fir, T-1-11 Duratemp, cedar, pine & vinyl.
- Siding materials carry a minimum 25-year warranty.
- Unlimited shades of paint available.
- Unlimited shingle colors and styles with minimum 25-year warranty.
- A wide range of options allows you to customize your building.
- Satisfaction guaranteed.
- Quality is "standard equipment".
- Five-year limited warranty on complete structure.
