Log Furniture

Hillside Hideaway is introducing a completely new line of log furniture this year. The furniture is handcrafted, high-quality log furniture, proudly made in USA. These items are perfect for home, cabin, lodge, restaurant or hotel. We use both white pine (standard) and red & white cedar.

If you don't see what you are looking for, please ask. We are continually adding new products. Custom pieces are also available. All pieces are finished; either with a clear coat or stain and clear coat. You can specify different colored stains.

Many more products are shown on-line at www.hillsidehideaways.com.
